Equipment Imbalance Surcharge (EIS)

Dear Valued Customer,

Please be informed, due to the heavy equipment imbalance situation experienced in Darwin, Mariana Shipping will be introducing an Equipment Imbalance Surcharge. This charge will be applied to all import containers arriving into Darwin.

Equipment Imbalance Surcharge (EIS) will be applied as per below:

Port Location	Description	20ft	40ft	20ft Special	40ft Special	Reefers
Darwin	Equipment Imbalance Surcharge	AUD100	AUD200	USD200	USD200	USD200

Equipment Imbalance Surcharge (EIS) will be effective from **1st July 2014** for all cargoes arriving on the Balsa v007S into Darwin.

We appreciate your kind understanding and cooperation with this matter.

Should you have further questions, please do not hesitate to contact our Customer Service team with questions on 1300 980 188 or csr@marianashipping.com.au

Kind regards,

Management
