South East Asia to Australia Trade GENERAL RATE INCREASE

Dear Customer,

In order to continue to maintain a high standard service level with fast transit time and reliable schedule to our clients, it will be necessary to introduce a "General Rate Increase" (GRI) on its South East Asia to Australia service in the amount of:

USD 200 per 20' container

USD 400 per 40' container or high cube container

The General Rate Increase will be applied for all shipments on or after 1st May 2013, on the basis of B/L (Bill of Lading) dates, originating from South East Asia to ports and points in Australia.

Thank you for your support of our services. Please contact your local **Hamburg Süd** office for more information.
