Customer Advisory
Southbound Rate Restoration (RR)
in the South East Asia -- Australia Trade

OOCL would like to advise that in order to maintain a high standard of service to customers, a rate restoration program will be implemented on Southbound cargoes from South East Asia, South Asia and the Gulf (Singapore, Malaysia, Indonesia, Vietnam, Cambodia, Philippines, Thailand, Middle East and the Indian Sub-Continent) to Australia, at the rate of:

USD 200 per 20' dry / reefer

USD 400 per 40' dry / reefer

with effect from the 1st of April, 2013 (based on shipment onboard vessel date)

This increase will be applied in full on top of existing ongoing market rates to all import shipments onboard vessel on or after the 1st of April 2013, and will be subject to ancillary surcharges applicable at the time of shipment.
